STOP HURTING OUR COMMUNITY'S KIDS

Dear Grand Chief Jerry Pelletier,

My name is [redacted] I'm concerned about the gun shots that are going on, on the avenues. The people have guns and take drugs and it is very scary. It is like they are holding the community hostage because the people are scared to walk on the road in the avenues. Every night I hear loud gun shots and it scares me. When I grow up I don't want to live in an environment like this. I hope you can do something about this soon.

Ronnie,  
Mark said you were interested in reading some of the children's letters to Grand Chief Jerry Pelletier. We are very proud of their campaign against the violence that is happening on the reserve. As you no doubt know, they all designed a button (pamela) to go along with the acronym S.H.O.C.K.
